**T**he HISPANIC METROPOLITAN CHAMBER cordially invites you to attend the annual National Hispanic Heritage Month Celebration Dinner, featuring **Dr. Pedro Rosselló, Former Governor of Puerto Rico.**

### "Hispanics In America Today"

**Dr. Rosselló** was elected Governor of Puerto Rico in 1992 and was re-elected in 1996 with the largest vote ever recorded for that office.

As Governor he propelled a variety of significant reforms which included: restoring both English and Spanish as official languages; establishing wide-ranging health reforms based on the principle that health care should be the inalienable right of an individual, and not a privilege. The centerpiece of his reform was a universal health insurance plan for low-income individuals, allowing 1.8 million beneficiaries (45% of the population) to receive medical treatment.
