## Technical Assistance Program for Small Business

---

### MISSION STATEMENT

**The Hispanic Metropolitan Chamber is dedicated to working with all members of the community to increase the economic advancement of Hispanic owned businesses in Oregon and S.W. Washington**

Since 1994, the Hispanic Metropolitan Chamber has been a vital resource by providing a forum for the Hispanic Business community to share ideas, concerns and successes.

As local community leaders and Chamber members come together, they build partnership that allow Hispanic businesses and other members of the community to better understand the contributions that each one makes to the growth and development of the region.

The Hispanic Metropolitan Chamber also provides free of charge services to assist businesses in the following areas:

- n Business Start up
- n Business Expansion
- n Development of Accounting/ Bookkeeping Systems
- n Development of Business Plans
- n Development of Loan and /or bond proposal
- n Addressing Financing/Insurance Issues
- n Assistance in Software/Hardware Training
- n Development of marketing materials
- n Development and/or expansion of websites
- n Review of current operations/management systems
- n Identification of public/private procurement opportunities
- n Referral to other business resources in the public/private sector
- n Other issues that a business may need
